- Strategic Plan process (K & A facilitated process)

Strategic Plan

- Three main objectives
 - Clarify, define, and differentiate IASAS' mission as a globally-focused and regionally connected student affairs and services association.
 - Develop a greater understanding of IASAS' membership across the world and work to intentionally increase that membership.
 - Design, develop, and implement a resource and partnership model to ensure IASAS' organizational sustainability for the future.

Getting involved...

- Contact your Regional Coordinator
