

Monique Withering Bio

Monique Withering works within the Centre for Student leadership and Structures at Stellenbosch University, focused on developing online leadership programmes that can extend access to students and make leadership development integral to their university experience.

She holds a Mphil Higher Education from Stellenbosch University as well as a Bachelor of Social Work, and an Advanced Diploma in Management from the University of the Western Cape. She is passionate about working with university students, especially those who are committed to their future, their community and how they can be of service to others.
